

# Elevate U Leadership Masterclass - Victoria, BC

## Strengthening Leadership Influence in Aviation

September 27 - 29, 2026 | Victoria, BC | 2.5 Days | Six facilitated sessions

### What is the masterclass?

An in-person leadership intensive designed for women in aviation who lead teams, projects, or operational areas. The program strengthens leadership communication, decision-making, and team effectiveness in complex operational environments.

### Program Overview

Participants engage in applied leadership scenarios, guided discussion, and peer learning designed to strengthen how they lead teams and navigate critical conversations.

### Organizational Outcomes

-  **Improved leadership effectiveness** through applied coaching and communication tools
-  **Stronger retention and engagement** by investing in high-potential women leaders
-  **Increased adaptability and decision-making** in complex, safety-critical environments
-  **Stronger cross-functional collaboration** aligned with aviation operations

#### Benefits for Employers

- Builds leadership capacity across teams
- Strengthens retention and engagement
- Supports succession planning and leadership pipeline development
- Signals commitment to leadership development in aviation

#### Benefits for Participants

- Strengthens coaching and communication skills
- Deepens leadership self-awareness and decision-making
- Expands aviation-specific peer networks
- Develops a practical leadership action plan

### Invest in Your Leaders. Elevate Your Organization.

- Recommended for employees responsible for leading teams or operational work.
- 2.5 days of structured, facilitated leadership development aligned with organizational performance and people leadership responsibilities.

Early Bird \$1,900+gst (ends June 30), Regular \$2,150+gst
